

Homework Assignment: Rubric

In this course you will turn in solutions to five substantial homework sets. Homework assignments should be complete, neat, organized, and solutions should be well communicated (and I don't mean "circle your answer").

Each homework assignment will be worth 40 points and will be graded according to the following rubric:

Element	Description	Points possible
Complete	Does it appear that reasonable attempts have been made to solve all problems?	5
Neat and organized	Is the write-up neat and readable? Is it well-organized (problem solutions are in order, there are clear delineations between problems, etc.)?	5
Communication	Have reasonable attempts been made to clearly communicate solutions, and reflect critically on them?	5
Correctness	Are the solutions correct?	25
